

# SPACE CAREER GAME

STEM Careers Game:

A fun game for kids to discover new possible careers in the future.

# SPACE CAREER GAME

STEM Careers Game:

A fun game for kids to discover new possible careers in the future.

STEP 1

Print out page 1 of this document and cut along the dotted lines.

STEP 2

Fold the top left corner to the bottom right corner to make a diagonal fold line. Then repeat - fold the top right corner to the bottom left corner to make another diagonal fold line.

STEP 3

Notice that the two diagonal lines cross in the middle. Now fold every corner to the centre to make a triangle out of each corner.

STEP 4

Turn the paper over. Repeat step 3.

STEP 5

Fold the paper in half to make another fold line. Then place your fingers in the finger holds and open them until the toy takes shape.

# CHARACTER DESCRIPTIONS

## PROJECT MANAGER

A project manager has the responsibility of planning a project and seeing it through until the end, striving to maintain the progress and tasks of individuals to successfully complete the project. The project manager must see through a project, all the while reducing the risk of overall failure, maximising benefits, and minimising costs.

## LEGAL ADVISOR

A legal advisor provides a company with guidance in matter relating to the law. Legal advisors are lawyers employed by either the government, a company, or an organisation to provide legal advice and services to the organisation and its employees.

## SALES ASSOCIATE

Also known as sales workers or salesperson. A sales associate sells products and services, in Skyrora's case, payload space on our rockets. Sales associates work closely with the customer to understand what they want, to ensure a smooth sales process and process the transactions.

## COMMUNICATIONS OFFICER

Communications Officers write and distribute content to promote an organisation's brand, activity, or product. They are a team player in communication between the organisation, the public, and the media to ensure that the brand remains top of mind.

## BUSINESS DEVELOPMENT ANALYST:

A Business Development Analyst manages the monitoring, analysing and improvement of the company's business. This is achieved through conducting research, interpreting data and making recommendations based on their findings. The analyst will use their knowledge of data and trends to identify new sales opportunities for a company.

## CHIEF FINANCIAL OFFICER (CFO):

The CFO is the officer of a company that has the primary responsibility for managing the company's finances. They are responsible for managing the financial actions of a company, and their duties include tracking cash flow and financial planning as well as analysing the company's financial strengths and weaknesses and proposing corrective actions.

## GOVERNMENT AFFAIRS EXECUTIVE:

A Government Affairs Executive is a public relations specialist who coordinates legislative efforts by working with the government as well as the media.

## GRAPHIC DESIGNER:

A Graphic Designer creates visual concepts using computer software or by hand, to communicate ideas that inspire, inform, and captivate consumers. They develop the overall layout and production design for applications such as advertisements, brochures, magazines, and reports.
